Dear John,

Our records indicate that 2021 marks a special 60th Anniversary for Wisconsin Latvian Credit Union!

From all of us at The Wisconsin Credit Union League, we offer our heartfelt congratulations to your entire board and staff on achieving this milestone.

I urge you to notify not only your membership, but also media about your milestone.

Credit unions benefit not only their members, but the communities those members live and work in. That is something to celebrate, especially when you've been at it for six decades!

We wish you continued success in the years to come.

Sincerely,

Brett A. Thompson
